

200 SERIES

**THE WARMTH OF WOOD
AT AN UNCOMMON VALUE**

200 SERIES WINDOWS & PATIO DOORS

A streamlined selection of windows and patio doors, the 200 Series product line delivers Andersen quality at an uncommon value. By focusing on only our most popular sizes and options, it creates just the right balance of design and efficiency. And like all Andersen products, they are supported by over 115 years of commitment to quality and service that can only come from one of the most trusted names in the industry. For more information, visit andersenwindows.com/200series.

Built with the right materials in the right places, 200 Series products offer durability, long-term beauty and options to fit your project needs.

200 SERIES WINDOWS

Tilt-wash double-hung, gliding, picture and half circle windows combine real wood interiors and low-maintenance Perma-Shield® exteriors in standard sizes and options, making these windows a good choice for your new construction or remodeling project.

200 SERIES PATIO DOORS

Perma-Shield and Narroline® gliding patio doors give you the choice of real wood or low-maintenance interiors with narrow profiles to maximize light and view. They are available in standard and custom sizes for your new construction, remodeling or replacement projects. Hinged inswing patio doors offer traditional styling with low-maintenance interiors in standard sizes.

EXTERIOR & INTERIOR OPTIONS

Our Perma-Shield® exterior cladding system offers low maintenance and durability while providing an attractive appearance.
